Electronic Disposition Reporting Error Resolution Document

Revision Date: May 2024

THE ELECTRONIC DISPOSITION REPORTIN (EDR) ERROR RESOLUTION DOCUMENT

TABEL OF CONTENTS

This document is being provided as a supplement to the DPS CJIS Data Dictionary and the DPS Remote Terminal Interface. The main purpose of this document is to provide electronic contributors with a concise reference for resolving errors resulting from electronic reporting.

PROSECUTION SEGMENT ERROR INDICATOR ATTACHMENT

CODE	DEFINITIONS	ERROR NO.	CAUSE
MKE	Message Key	Error #1	The cause for this error is that the submission contains an invalid MKE. The only valid MKE for prosecution submissions to DPS is ER3
DOE	Date of Entry (YYYYMMDD)	Error #2	The possible causes for this error are: 1) Incorrect date format 2) Invalid Date 3) Future Date
ORG	CDC of organization submitting data i.e. 'DPS', 'DCJ', 'AFIS', 'AUH'	Error #3	The cause of this error is that the submission was sent without a valid CDC. Each county is uniquely assigned a CDC by DPS.
DPS	DPS (SID) number, Department of Public Safety State Identification number	Error #4	The cause of this error is that an invalid DPS number was submitted. The DPS number must be numeric, zero filled from the left.
FILLER	Reserved for future use	Error #5	This error code is reserved for future use. If this error is encountered, contact DPS.
TRN	Tracking incident number, control number assigned at arrest	Error #6	The possible causes of this error are: 1) The TRN is blank and no SEQ is present 2) The TRN is invalid – see Data Dictionary for TRN computation 3) The TRN may be expunged.
SEQ	Sequence, indicator of multiple arrests of an individual on same day by different agencies	Error #7	The possible causes of this are: 1) Blank an no TRN is present 2) Invalid sequence (alpha only) 3) Unsupported sequence indicator in CCH
DOA	Date of arrest, MMDDYYYY, date subject was arrested	Error #8	The possible causes of this error are: 1) Invalid date 2) Does not match arrest DOA 3) TRN and SEQ are not present
TRS	Tracking incident number, control number assigned at arrest	Error #9	The possible causes of this error are: 1) Invalid TRS 2) TRS not supported in CCH
ORIP	ORI of prosecutor	Error #10	The possible causes of this error are: 1) Invalid ORI 2) For literal ORIs, the entry is not preceded by a period (.) i.e. ".Sample County Prosecutor"

CODE	DEFINITIONS	ERROR NO.	CAUSE
DOR	Date change rejected by prosecutor (MMDDYYYY)	Error #11	The possible causes for this error are: 1) Invalid Date 2) DOR is prior to DOA 3) PAF does not indicate a rejection 4) Blank when PAF indicates a rejection
PAF	Prosecutor action field	Error #12	The possible causes of this error are: 1) PAF is blank 2) Invalid PAF 3) No DOR for PAF that indicates a rejection 4) DOR is present when PAF does not indicate a rejection
GOCP	General offense character – prosecutor	Error #13	The possible causes of this error are: 1) GOCP is an invalid code 2) The COCP does not match the GOCA when the PAF is equal to "A"
PON	Prosecutor offense, the 4 character NCC offense code Followed by the 4 character state modifier	Error #14	The possible cause of this error are: 1) The offense code is invalid 2) The PON does not match the AON when the PAF is equal to "A"
LDP	Level and degree and prosecuted offense	Error #15	The possible causes of this error are: 1) The LDP code is invalid 2) The LDP does not match the LDA when the PAF is equal to "A"
LGH	Record length	Error #16	The cause of this error is that the LGH is equal to something other than "0252".
NAM		Error #17	
DUP	Duplicate Prosecutor Data	Error #18	The cause of this error is that the prosecution data is an exact duplicate to prosecution data that already exists in CCH.
UNS	Unsupported error Duplicate Unsupported(NBF)	Error #51	1)The possible cause of this error is that the record does not have an arrest in CCH that supports this prosecution submission. These errors are routed to the CCH suspense file and should not be returned to submitting agency. If this error is encountered, contact DPS. 2)The possible cause is a duplicate record may have been found in the name based data file.

CODE	DEFINITIONS	ERROR NO.	CAUSE
PERP	Permanent prosecutor record	Error #52	The possible cause of this error is that the submission was attempted to be applied to a record that already has a court section. Because of the presence of the court segment, the prosecutor section can not be reported electronically.
TEMA		Error #53	The possible cause of this error is that the arrest record that supports this prosecution submission is temporary in nature. Until the hardcopy fingerprint card is received at DPS, the arrest will remain temporary. These errors are routed to the CCH suspense file and should not be returned to submitting agency. If this error is encountered, contact DPS.
CONS		Error #54	The possible causes of this error are: 1) The SID number being submitted has been consolidated by DPS with another SID number 2) The corrected SID number appears in the CONS field of the ER3 return record (position 152 – 159). The ER3 should be resubmitted using the new SID
CONF		Error #55	The possible cause of this error is that the ER3 is being submitted to update a juvenile arrest – juvenile prosecutions are to be reported using an ER4 and ER4J.

COURT SEGMENT ERROR INDICATOR ATTACHMENT

CODE	DEFINITIONS	ERROR NO.	CAUSE
MKE	Message Key	Error #1	The possible cause of this error is the use of an invalid MKE. The only valid MKE for the regular court submission is ER4.
DOE	Date of Entry (YYYYMMDD)	Error #2	The possible causes for this error are: 1) Incorrect date format 2) Invalid date 3) Future date
ORG	CDC of organization submitting date i.e. 'DPS', 'DCJ', 'AFIS', 'AUH'	Error #3	The cause of this error is that the submission was sent without a valid CDC. Each county is uniquely assigned a CDC by DPS.
DPS	DPS (SID) number, Department of Public Safety State Identification number	Error #4	The cause of this error is that an invalid DPS number was submitted. The DPS number must be numeric, zero filled from the left.
CDNS	The CDN on the uploaded item is out of sequence with existing CDNs on the record in CCH	Error #5	The cause of this error is that the court disposition being reported is not allowed due to: 1) Being out of date order. Example: a 400 being reported with a court date prior to a 312 court date on the record 2) The CDN action is not allowed with the current CDN/s on the record in CCH
TRN	Tracking incident number, control number assigned at arrest	Error #6	The possible causes of this error are: 1) The TRN is blank and no SEQ is present 2) The TRN is invalid – see Data Dictionary for TRN computation 3) The TRN may be expunged.
SEQ	Sequence, indicator of multiple arrests of an individual on same day by different agencies	Error #7	The possible causes of this error are: 1) Blank an no TRN is present 2) Invalid sequence (alpha only) 3) Unsupported sequence indicator in CCH
DOA	Date of arrest, MMDDYYYY, date subject was arrested	Error #8	The possible causes of this error are: 1) Invalid or blank date 2) Does not match arrest DOA 3) TRN and SEQ are not present
TRS	Tracking incident number, control number assigned at arrest	Error #9	The possible causes of this error are: 1) Invalid TRS 2) TRS not supported in CCH 3)

CODE	DEFINITIONS	ERROR NO.	CAUSE
FPO	Final pleading to offense. Final pleading of the offender to the offense	Error #10	The possible causes of this error are: 1) FPO is blank An invalid FPO was used
ORIC	ORI of court	Error #11	The possible causes of this error are: 1) Invalid ORI 2) For literal ORIs, the entry is not preceded by a period (.) i.e. ".Sample County Court"
CDD	Court disposition date, MMDDYYYY	Error #12	The possible causes of this error are: 1) Invalid or blank date 2) Date is prior to DOA
GOCC	General offense character – court described action which is related to the offense	Error #13	The possible causes of this error are: 1) GOCC is an invalid code
CON	Court offense, the 4 character NCIC offense code followed by the 4 character state modifier	Error #14	The possible causes of this error are: 1) The offense code is blank 2) The offense code is invalid
LDC	Level and degree of offense disposed by court	Error #15	The possible causes of this error are: 1) The LDC code is blank 2) The LDC code is invalid
CDN	Court disposition numeric, the numeric code for the disposition of the case	Error #16	The possible causes of this error are: 1) The CDN is blank 2) The CDN in invalid 3) The CDN has a conflict with the CPN
DOS	Date of sentence or status change, (MMDDYYYY)	Error #17	The possible causes for this error are: 1) Incorrect date format 2) Invalid date 3) Future date 4) DOS is prior to CDD 5) DOS is equal to previously reported DOS and the CDN has not changed on the new submission
CPN	Court provision numeric, a field which further expressed special sentence provisions	Error #18	The possible causes for this error are: 1) The CPN is invalid 2) The CDN has a conflict with the CPN
DCA	Date case appealed, MMDDYYYY, the date of appeal of the charge	Error #19	The possible causes of this error are: 1) Incorrect date format 2) Invalid date 3) Future date 4) DCA is prior to CDD

CODE	DEFINITIONS	ERROR NO.	CAUSE
DDA	Disposition of offender during appeal, the final disposition of the offender during appeal	Error #20	The possible causes of this error are: 1) The DDA is invalid The DDA is blank and a DCA is present
FCD	Final court decision on appealed case, final court decision on a case that was appealed	Error #21	The possible causes of this error are: 1) The FCD in invalid 2) FCD is present without a DCA
MCC	Multiple sentences concurrent (cc) or consecutive (cs)	Error #22	The possible causes of this error are: 1) The MCC in invalid 2) MCC is present with a CDN that indicates a dismissal
CIT	Statute citation	Error #23	The possible cause of this error is that the CIT is blank
ARC	Agency receiving custody, ORI of the agency receiving custody of the offender	Error #24	The possible causes of this error are: 1) Invalid ORI 2) For literal ORIs, the entry is not preceded by a period (.) i.e. ".Sample County Court" 3) The ARC is blank and the CMT / CPR contain valid entries or CDN=312.
CSF	Court sentence suspended – fine	Error #25	The possible causes of this error are: 1) Alpha characters were submitted 2) Amount was not rounded to whole dollars
CFN	Court fin, the monetary amount of a fine ordered by the court, whole dollars	Error #26	The possible causes of this error are: 1) Alpha characters were submitted 2) Amount was not rounded to whole dollars
CST	Court cost, amount of court costs, whole dollars	Error #27	The possible causes of this error are: 1) Alpha characters were submitted 2) Amount was not rounded to whole dollars
LGH	Record length	Error #28	The cause of this error is that the LGH is equal to something other than "0533".
CMT	Court confinement, the amount of confinement time form judicial action	Error #29	The possible causes of this error are: 1) Invalid format – 00Y00M00D 2) CMT is blank when ARC is present
NAM	Name (Last, First, Middle)	Error #30	This field is to be used only when submitting dispositions for offenses that occurs prior to CJIS that occurred prior to "old" dispositions. Contact DPS prior to using this field.
SEX	Sex, M = Male, F = Female	Error #31	This field is to be used only when submitting dispositions for offenses that occurs prior to CJIS that occurred prior to "old" dispositions. Contact DPS prior to using this field.

CODE	DEFINITIONS	ERROR NO.	CAUSE
RAC	Race code	Error #32	This field is to be used only when submitting dispositions for offenses that occurs prior to CJIS that occurred prior to "old" dispositions. Contact DPS prior to using this field.
DOB	Date of birth, MMDDYYYY, month, day, & complete year of individuals birth	Error #33	This field is to be used only when submitting dispositions for offenses that occurs prior to CJIS that occurred prior to "old" dispositions. Contract DPS prior to using this field.
JUV	Juvenile record or segment	Error #34	The possible causes of this error are: 1) Submission is trying to apply an adult disposition to a juvenile record 2) Submission is trying to apply a juvenile disposition to an adult
CSS	Court Suspended Sentence – Time	Error #35	The possible causes of this error are: 1) Invalid format – 00Y00M00D0
CPR	Court Ordered Probation	Error #36	The possible causes of this error are: 1) Invalid format 00Y00M00D 2) CPR is present when ARC is blank
UNS	Unsupported error Duplicate Unsupported(NBF)	Error #51	1)The possible cause of this error is that the record does not have an arrest in CCH that supports this court submission. These errors are routed to the CCH suspense file and should not be returned to submitting agency. If this error is encountered, contact DPS. 2)The possible cause is a duplicate record may have been found in the name based data file.
TEMA	Temp arrest record, cannot add new segments to this 'TRN'	Error #52	The possible cause of this error is that the arrest record that supports this court submission is temporary in nature. Until the hard copy fingerprint card is received at DPS, the arrest will remain temporary. These errors are routed to the CCH suspense file and should not be returned to submitting agency. If this error is encountered, contact DPS.
PAF	Prosecutor action field	Error #53	The cause of this error is that the PAF submitted for this TRN / TRS combination indicate a rejection – no court should be reported. Local agencies should resolve the conflict and resubmit ER3 and ER4 segments.

CODE	DEFINITIONS	ERROR NO.	CAUSE
CONS	This record record's data has been consolidated with another record	Error #54	The possible causes of this error are: 1) The SID number being submitted has been consolidated by DPS with another SID number 2) The correct SID number appears in the CONS field of the ER4 return record (position 506 – 513). The ER4 should be resubmitted using the new SID
DUP	Duplicate record type	Error #55	The cause of this error is that a submission was sent that has the same or prior DOS as the last successfully received court status, while having the same CDN.

COURT SUPPLEMENTAL SEGMENT ERROR INDICATOR ATTACHMENT

CODE	DEFINITIONS	ERROR NO.	CAUSE
MKE	Message Key	Error #1	The possible cause of this error is the use of an invalid MKE. The only valid MKE for the regular court submission is ER4
DOE	Date of Entry (YYYYMMDD)	Error #2	The possible Causes for this error are: 1) Incorrect date format 2) Invalid date 3) Future date
ORG	CDC of organization submitting data i.e. 'DPS', 'DCJ', 'AFIS', 'AUH'	Error #3	The cause of this error is that the submission was sent without a valid CDC. Each county is uniquely assigned a CDC by DPS.
DPS	DPS (SID) Number, Department of Public Safety State Identification number	Error #4	The cause of this error is that an invalid DPS number was submitted. The DPS number must be numeric, zero filled from the left.
FILLER		Error #5	This error code is reserved for future use. If this error is encountered, contact DPS.
TRN	Tracking incident number, control number assigned at arrest	Error #6	The possible causes of this error are: 1) The TRN is blank and no SEQ is present 2) The TRN is invalid – see Data Dictionary for TRN computation
SEQ	Sequence, indicator of multiple arrests of an individual on same day by different agencies	Error #7	The possible causes of this error are: 1) Blank and no TRN is present 2) Invalid sequence (alpha only) 3) Unsupported sequence indicator in CCH
DOA	Date of arrest, MMDDYYYY, date subject was arrested	Error #8	The possible causes of this error are: 1) Invalid or blank date 2) Does not match arrest DOA 3) TRN and SEQ are not present
TRS	Tracking incident number, control number assigned at arrest	Error #9	The possible causes of this error are: 1) Invalid TRS 2) TRS not supported in CCH
CSC	Court status change	Error #10	
LGH	Record length	Error #11	The cause of this error is that the LGH is equal to something other than "0252".
PGMT1	Court assigned program type #1	Error #12	
PGM1	Court assigned program name #1	Error #13	

CODE	DEFINITIONS	ERROR NO.	CAUSE
PGMT2	Court assigned program type #2	Error #14	
PGM2	Court assigned program name #2	Error #15	
PGMT3	Court assigned program type #3	Error #16	
PGM3	Court assigned program name #3	Error #17	
PGMT4	Court assigned program type #4	Error #18	
PGM4	Court assigned program name #4	Error #19	
PGMT5	Court assigned program type #5	Error #20	
PGM5	Court assigned program name #5	Error #21	
DOS	Date of sentence or status change, (MMDDYYYY)	Error #22	The possible causes for this error are: 1) Incorrect date format 2) Invalid date 3) Future date 4) DOS is prior to CDD 5) DOS is equal to previously reported DOS and the CDN has not changed on the new submission
UNS	Unsupported error	Error #51	The possible cause of this error is that the record does not have an arrest in CCH that supports this court submission. These errors are routed to the CCH suspense file and should not be returned to submitting agency. If this error is encountered, contact DPS.
TEMA	Temp arrest record, cannot add new segments to this 'TRN'	Error #52	The possible cause of this error is that the arrest record that supports this court submission is temporary in nature. Until the hardcopy fingerprint card is received at DPS, the arrest
DUP	Duplicate record type	Error #53	The cause of this error is that a submission was sent that has the same or prior DOS as the last successfully received court status, while having the same CDN.
CONS	This record record's data has been consolidated with another record	Error #54	The possible causes of this error are: 1) The SID number being submitted has been consolidated by DPS with another SID number 2) The correct SID number appears in the CONS field of the ER4 return record (position 506 – 513). The ER4 should be resubmitted using the new SID.
EXC	Exceeds program limit of ten (10)	Error #55
