Course Descriptions:

Cargo Theft- This course will provide an overview of Cargo Theft, including offenses, scenarios, and quality control checks.

Molly Jane’s Law and ViCAP – This presentation will help you understand the basics of House Bill 3106, Molly Jane’s Law, and the Texas requirements for law enforcement agencies on reporting incidents that apply to Molly Jane’s Law.

NIBRS Overview for ISD PDs – The goal of this course is for participants to gain a greater understanding of the basics of NIBRS, which are applicable to ISD Police and includes juvenile clearances, common NIBRS offenses, sexual assault reporting, school-related scenarios, common ISD errors and warnings along with where to locate NIBRS Technical Documentation for assistance. *(ISD PDs or SROs only)*

Group B Offenses - This class highlights the seven NIBRS Group B Offenses that are not Group A Offenses for Texas NIBRS reporting agencies. Students will learn which offenses are no longer reportable, when to report Group B Offenses, and learn examples of various Group B Offenses.

Texas Specific or “T” Errors – This course will introduce and inform law enforcement agencies about the Texas Specific Errors and Warnings that they face in their Uniform Crime Reporting.

NIBRS Overview- This presentation highlights the roles and responsibilities of UCR agencies and IBR Program staff. Participants will gain a basic understanding of FBI guidelines and UCR reporting rules, how to upload a NIBRS flat file, and how to use the UCR Report Center.

Group A Offenses: Crimes Against Property- Class is for participants to gain a greater understanding of Crimes Against Property where the object of the offense is to obtain money, property, or some other benefit, along with which data elements are mandatory when reporting these offenses, including types of victims required.
