Public Safety Solutions

You are accessing a Texas Department of Public Safety system. For security, this system may be monitored, recorded, and audited. Any unauthorized use is prohibited and subject to civil or criminal penalties. By accessing this system, you consent to these terms.

Please choose an identity provider below to login.

Texas DPS - For issues logging in with your DPS account contact the help desk at 512-424-5432.

LEEP - Law Enforcement Enterprise Portal - To get an account or for help with LEEP accounts for TX law enforcement, please go to the LEEP Agency Admin site:

LEEP Agency Admins

Firstnet - Having trouble logging in? If you need assistance, call FirstNet Customer Service at 800.574.7000. We're here to help 24/7/365.

Learn more about login options here.

FTI - To get help with your FTI PIV-I card, please contact your card provider or FTI helpdesk.

Service Provider vs Identity Provider

- Service Provider– Tools or applications that are offered for use
- Identity Provider– A party that verifies the identity of a person
- Service Providers use Identity Providers to provide access to their platform.

“One Team, One Goal, One Map”

Team Awareness Kit

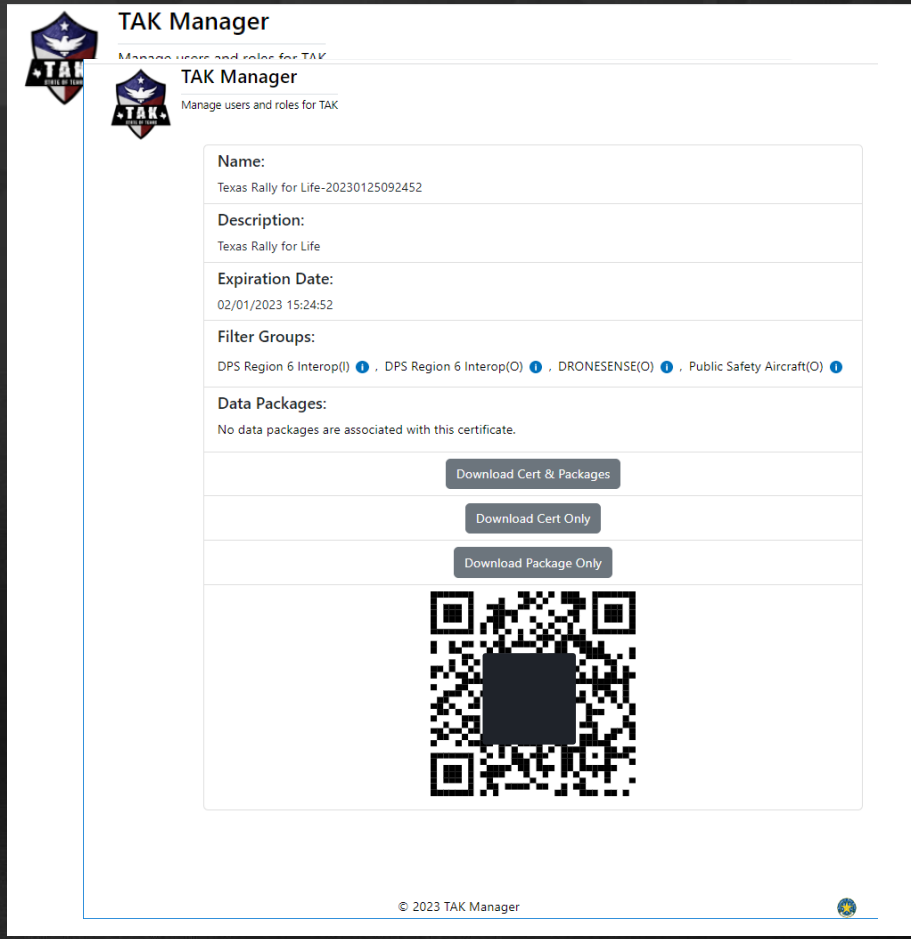
- Situational awareness
- Tactical coordination
- GOTS software

TAK Manager

- Developed and deployed in 2022 to meet the need of managing DPS users for TAK
- Expanded to other agencies with multiple IdPs.
- TxDPS provides access to Texas TAK to public safety personnel via TAK Manager

TAK Manager

- Ability to have other partners log in via LEEP, FirstNet, FTI
  - Partners are able to create certificates on demand to access Texas TAK
- Admins can make temporary certificates to quickly onboard partners



The Location Problem

- Vehicle locations instead of officer locations
- Mix of consumer apps instead of a unified agency solution
- No interoperability with other agencies
